

School Districts

Public schools are operated by school districts which are local, special-purpose units of government under the control of an elected school board. Four different school districts serve the City of Minnetrista. Please contact your school district directly for information about initiatives, special elections, the school district portion of your property tax, and other school related items.

Visit the [Hennepin County Property Information](#) page to find your assigned district:

Westonka Public Schools

Delano Public Schools

Waconia Public

Watertown-Mayer Public Schools
